PUNCAK- One of the military units under the command of the Indonesian Armed Forces Operational Command HABEMA, the Task Forces of the Raider Infantry

Battalion 323/Buaya Putih Kostrad, is currently conducting mobile security at the border of Indonesia and Papua New Guinea, especially in the Puncak Regency, Papua Tengah Province. On Saturday, 14 September 2024, the 323 Task Forces, especially the Sinak Post led by Major Firman Permana, implemented the results of Social Communication with the Sinak Puskesmas (Community Hospital) in organizing a free Polio Vaccination for babies under the age of five in the Sinak District.

In his emphasis on the Soldiers, the Commander of the 323 Task Force, Lieutenant Colonel Tri Wiratno, conveyed the importance of the Task Forces' attention to the basic necessities of the community around the Post. Therefore, since its assignment in Papua, the Sinak Post has conducted Social Communication with stakeholders in its Area of Responsibility to follow up on the emphasis. At the beginning of September, Major Firman met the Head of the Sinak Puskesmas, Mr Agustus Murib, regarding health problems experienced by the Sinak residents. Their discussion agreed to hold free Polio Vaccination for Papuan babies to improve their immunity. The two parties also decided to have the occasion on Saturday at the Sinak Puskesmas.

After preparations, the Soldiers with Puskesmas Health Workers were ready to conduct the free Polio Vaccination at the location. Not long after, Papuan Mothers flocked to the area to get free Polio vaccines for their babies. After the activity, a Papuan Mother named Ester Uamang said, "Thank you, Commander 323. Our children have been vaccinated with free Polio Vaccination. God bless."

Upon receiving the activity report, the HABEMA Commanding General, Brigadier General Lucky Avianto, commended the 323 Task Forces' initiative to provide free Polio Vaccination for babies under the age of five in the Sinak District. His words: "The 323 Task Forces' initiative is a testament to TNI's commitment to provide the community's basic need to support the acceleration of development in the Papua region." This recognition from the highest authority in HABEMA is not just a commendation but a testament to the significant impact of such initiatives on the region's development. It instills profound hope and optimism about their potential to positively shape the region's future. It makes the Task Forces and the community feel recognized, valued, and respected for their efforts. It gives everyone a sense of hope and optimism about the region's future development.
